

ArtsPower brings another classic book to life in *Anastasia Krupnik*, a new musical comedy for family audiences.

Funny, intelligent, and always ready to offer her opinion, Anastasia Krupnik is a 10 year-old who never hesitates to speak her mind. Not surprisingly, she has a real knack for getting into trouble.

Anastasia forms opinions quickly and enjoys writing them down in her jealously guarded green notebook. She has plenty to write about: an equally opinionated school teacher, a mother

ready to bring a new baby into the family, and a contentedly senile old grandmother.

Newbery Medal-winning author Lois Lowry has told many stories about Anastasia, her troubles, and her solutions. ArtsPower's *Anastasia Krupnik* brings a fresh look to a wonderfully amusing girl who tries to make sense of her changing world.
