

# **STINK & JUDY #2**

## **(Fixing Broken Toys)**

Judy’s Bedroom.

JUDY MOODY is likeable; has a great capacity to be kind and thoughtful; can be moody; smart; high emotional IQ; wears her emotions on her sleeve; can be tough on herself; has a habit of being too boisterous in class; feuds with her brother Stink but loves him; strong-willed; wants to get famous; close to her Dad; can be a bit bossy; and likes to tell Stink what to do.

STINK MOODY is young; fun-loving; dynamic; excitable; active; independent; rough and tumble boy; although he looks up to Judy, he can be a source of irritation to her; has an unusually good sense of smell; and often speaks before he thinks.

While Judy, Stink, and Sophie are playing in the backyard, Judy accidentally steps on Sophie’s finger. Sophie is taken to the hospital by Judy and Stink’s dad. While their dad is with Sophie, Judy and Stink go to wait in the children’s play area called “The Magic Playroom.” Judy decides to steal the broken dolls (only temporarily) for the purpose of bringing them home for repair.

In this scene, Judy is in her bedroom fixing the dolls that she has taken from the hospital. Stink walks in, after seeing what Judy is doing, Stink asks if he can help. Together, they mend all the broken dolls, making one very special doll for Laura, a young heart transplant patient they met in the hospital.

STINK

Knock, knock!

JUDY

Who's there?

STINK

I, Stink.

JUDY

I Stink who?

STINK

I stink you should let me in your room.

*(He sees the dolls.)*

That's what you took? Cool!

JUDY

*(Shows STINK what she's working on)*

This one is for Laura.

*(JUDY puts a special "LAURA" tag around the doll's neck.)*

STINK

Double cool! You're fixing them up for Laura.

Wow! You made them look really good!

JUDY

I'm fixing them up for all the kids at the hospital. Put a little magic back into "The Magic Playroom."

STINK

Can I help?

JUDY

You really want to?

STINK

Sure! Why not?

JUDY

Stink, I'm sorry for spraying your sneakers.

STINK

Thanks. And I shouldn't have put my stinky sneakers so close to your room.

*(STINK gets back to business. They begin fixing up the remaining dolls together.)*

I'll use this paper clip, cut an inch of string, and some gauze to make a sling!

JUDY

Hey, thanks a lot of helping.

STINK

That's what being a brother is all about.

*(They share a smile.)*

Are you going to return them?

JUDY

Nope. You are.

STINK

What? You want me to ride my bike all the way to the hospital carrying this box?

JUDY

No, silly. Seal up this box with tape and drop it in the mailbox. It's already addressed and I've put more than enough postage on it. What are you waiting for, my little Stinkerella? Go!

**END OF SIDE.**
